

## HBSP - Skills and Training Framework

### Wall & Floor Tiler and Wall & Floor Tiler Supervisor

The information on this spreadsheet contains the agreed modules across the Home Building Sector for either an Wall & Floor Tiler. Subsequent tabs will give a more detailed overview of course content and key objectives along with, where available, links to samples of full course programmes. Over the coming months and in line with the work on CITB Grant reform and National Training Standards the relevant key information, where available will be added. Its primary aim is to help with standardising, understanding, developing, deployment and the tracking of people and their skills. The information within this and all associated Skills Matrices for Home Building should be used as a **minimum** standard across the sector.
