

## FE Leavers into Home Building:

- Due to the restrictions brought on by COVID-19 Pathway CTM are delivering a revised offer to the 161 students who are currently signed up to the programme which includes increased student mentorship, on line employability webinar classes, more use of social media, Instagram live, digital training.
- More employers are joining webinars and creating content. Employers are also working with Pathway CTM to develop and access real time video footage of sites and the development of multi room settings as a substitute for live work experience.
- Hubs are being created to carryout virtual interview practice

## Women into Home Building:

- Women who have completed the North London programme & those currently on the Midlands programme will continue to receive ongoing support from WiC, including mentorship calls, advice & guidance & employment connections.
- The employment/celebration event on 23<sup>rd</sup> April has been postponed
- A call has been arranged for 16<sup>th</sup> April to evaluate the two programmes
- WiC are looking at developing & testing online registration & information webinars to continue to engage women

## Pathways Into Home Building Careers

Update March 2020

Case Studies available from the North London Programme

## Service Leavers (12m+) into Home Building:

- Hopkins Homes in conjunction with Fortis have prepared a pathway programme that is ready to launch for a pilot group of 25 ex-military personnel. The attract campaign and scheduling of the timeline is under review and will be revisited in May/June.

## NEETs into Home Building:

- Futures for You were due to start their programme for 40 individuals in April, all the material and communication channels are ready to go but are being reworked and tested with a smaller group of 10 to pilot a digital offer at a more personnel level. Redrow's bespoke programme with DWP and Princes Trust in North Wales has also been postponed until further notice due to staff being furloughed.
